

## Suggested Hymns for Weddings

This unique guide has been compiled by the music leaders here at St Katharine's and St Margaret's to help couples choose their hymns, perhaps extending beyond the usual standards. This list is not exhaustive and there are a number of settings and tunes for many of these hymns, so of course the best plan of action is to speak to our knowledgeable and experienced Choir Trainers. We would also advise you to consult us when preparing your *Order of Service*, to ensure that your words coincide with those used by our choirs.
